Smiles

*Because
it is so
much
more
than
a cake.*

Childhood illness changes the life of a family. Play dates and picnics are replaced with doctors visits and medicine. Comforts of home are replaced with the unfamiliar surroundings of hospitals. The playful experiences of childhood are replaced with pain and fear. For the children and the parents alike, it can be hard to find hope and joy. At Icing Smiles, our mission is to create special memories during a difficult time by providing unique custom celebration cakes to ill children and their siblings. The impact that a special cake can make is profound. It gives a family hope, a smile, a laugh, and for a few moments, an escape back into a world of normal childhood experiences. Our ability to put an Icing Smile on the face of these children is dependent on the generosity of both our baking partners and donors. We need your support. We ask that you partner with us by giving your time or financial support to this important cause.
